

Migrant Info Point

MIP: mission statement

- ✓ We are a group of people who are creating a friendly and safe place, thanks to which every person, no matter where they come from, can feel important in the local community.
- ✓ We provide professional support that meets the diverse needs of migrants and refugees.
- ✓ We support integration and strive to achieve social cohesion and wellbeing for all who live in our city.

Consultations

- Formal and legal support:
 - Explanation of procedures (residence and work permits, citizenship, PESEL)
 - Assistance in completing official forms
 - Ongoing support throughout the legalization process
- Everyday life issues
- 4 languages: Polish, English, Ukrainian, Russian – we also speak Belorussian and Spanish
- If necessary, our clients can count on the specialized support of our team of lawyers (legal advice).

Support on the labor market

Polish courses

- Only during 2022 > 100 courses for > 1,200 people
- One course includes 60 hours of classes.

- How to look for employment / find your first job?
- How to effectively apply for a job and write a CV?
- How to navigate the labor market as a disabled person?
- How to start a business in Poznań?
- Meetings for employers
- Legalization/nostrification of diplomas

Migrant Info Point consists of:

- Hundreds of personal stories - migrants recommend us and recognize our brand,
- Comprehensive action - we do not focus on one origin group or one form of assistance,
- Expertise - we come from an academic background, scientific knowledge and research are important to us; we base our effectiveness on the expertise of specialists,
- 10 years of experience - our work is continuous, steady and constantly evolving; experience makes us even more effective.
